

Measure 95

Estimate of Financial Impact Statement

This measure amends Article XI, section 6 of the Oregon Constitution to exempt public universities from a constitutional prohibition on ownership by the State of stock of any company, association, or corporation.

There is no financial effect on either state or local government expenditures or revenues required by the measure. The revenue and expenditure impact on public universities is dependent upon decisions by each university on the type and amount of private equity in which they choose (or choose not) to invest, and on the return on these investments.
