Filing Officer

State County for both county and district offices City

Some Circulators may be Paid

Yes No

Petition for Recall of Provide the name of the public officer and the position that they currently hold.

Name of Public Officer

Jesse C. Margolis

Title of Public Officer

Curry County Circuit Court Judge, District 15, Position 3

Statement Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

Our private citizens committee started investigating Judge Margolis two years ago due to certain concerns. We advertised for public comments, spoke with lawyers, litigants & social workers and researched appellate cases. We found he makes children into felons far more than is necessary, his family law rulings are appalling, and we believe he's guilty of "judicial dishonesty" because he often makes his own rules instead of following the law.

Oregon appeals courts also have problems with him. Judge Margolis has been overruled dozens of times for very serious errors like ignoring "undisputed evidence" (their words) and many other errors they must correct "in the interest of justice". The reasons he's been overruled include: (1) Improperly taking children from parents; (2) Not upholding attorney-client privacy; (3) Warrantless searches of people, vehicles and homes; (4) Speculative findings without evidence; (5) Overlooking critical evidence; (6) Improperly committing people as mentally incompetent; (7) Basic errors regarding rights. There's much more.

One experienced lawyer told a committee member Judge Margolis can't be trusted as a judge. We agree. We do not believe Jesse C. Margolis should be trusted with any judicial matters impacting families, finances or freedom. He should be recalled. /s/Lorrie Compton, committee secretary.

Chief Petitioner Information The chief petitioner must remain throughout the petition process or the petition is void.
