Campaign Finance

A candidate must file a Statement of Organization **not later than three business days** of first receiving a contribution or making an expenditure and no later than the deadline for filing a nominating petition, declaration of candidacy, or certificate of nomination, whichever occurs first, unless they meet the criteria for an exemption. To meet the criteria, the candidate must serve as their own treasurer, not have an existing candidate committee, and does not expect to spend or receive more than \$750 during the entire calendar year (including in-kind contributions and personal funds). **State Voters' Pamphlet filing fees are not included when calculating contribution or expenditure totals.**

If you have an existing candidate committee you **must amend** the statement of organization not later than 10 days after a change in information. This includes changes to the election you are active in and the office you are running for.

See the [Campaign Finance Manual](#) for the procedural and legal requirements of establishing and maintaining a candidate committee.

Voters' Pamphlet

The Oregon Voters' Pamphlet is a publication produced and distributed by the Elections Division. It contains information about candidates, measures and political parties, as well as information about the election process. To appear in the voters' pamphlet, you must file a statement online using ORESTAR available at oregonvotes.gov and either:

- pay a filing fee **or**
- submit a completed voters' pamphlet petition containing the required number of signatures.
Approval to collect signature in lieu of the filing fee is required prior to gathering signatures.
