Oregon Records Management Solution

Public / Private Partnership:
Oregon Secretary of State, Archives Division
Chaves Consulting, Inc. / Arikkan, Inc.
records.management@sos.oregon.gov
The Problem

- Too much stuff to manage manually
- Too many silos
- Inefficient work processes
- Security difficult to enforce
- Retention rules ignored
- Massive legal liability
The Solution

- Centralize control of information
- Eliminate unnecessary duplication
- Streamline work processes
- Simplify routine tasks
- Automate security & retention
- Lessen load on employees
Oregon Records Management Solution

- State Contract: No RFPs required

Tested & Proven Implementations

- Over 90 implementations: state and local government, special districts, K-12

360 Degree Support

- ORMS Support Desk available by phone or email
- Provides user and technical support
- Coordinates all support resources forever
Customized Implementation Strategy

We (Archives, Chaves, Arikkan):
Work with you to design your customized step-by-step approach to fulfill your business needs and priorities

Our implementation goals:
To implement using the most supportive and least disruptive process possible

Our Implementation Team’s intention:
To make improvements in how your work is accomplished, not to add an additional burden
