RE: LLOYD J. REYNOLDS

Dear Dean Landis:

It has come to the attention of this Bureau that Lloyd J. Reynolds, 7423 S. E. 31st Street, Portland, Oregon, has been active in the Civilian Defense organization of that city. For your information, it was reported in 1939 that this person was a member of the Reed College branch of the Young Communist League. It was also reported that he was chairman of the committee for a May Day meeting in 1938 for Spanish Aid.

It has been ascertained that in 1938 and again in September of 1942 he signed the nominating petitions of James A. Murphy, local secretary of the Communist Party.

This matter is being submitted for your interest and consideration.

Sincerely yours,

John Edgar Hoover

Mr. Larry Dahrkoop, Acting Coordinator
Multnomah County Defense Council
1101 S. W. Fifth
Portland, Oregon

Dear Mr. Dahrkoop:

I have your letter of March 19 relative to Lloyd J. Reynolds and the information that he "still may be acting in the capacity of chief warden on the Reed College Campus".

You conclude your letter with the hope that the information given will be of assistance to us in following through on the case. The responsibility for following through is that of the Multnomah County Defense Council not the State Defense Council.

I would suggest that you discuss this case with Mayor Earl Riley, Director of Civilian Defense, and then advise us of what decision has been reached so that I may report same to Mr. Hoover and the National Office of Civilian Defense which forwarded the report to us. If in the opinion of your defense council, the reported Communistic connections of Mr. Reynolds are not of sufficient gravity to bar him from civilian defense activities we should like to have this decision in writing. On the other hand, if you find he still is acting in a capacity of chief warden at Reed College and you feel he should be relieved of duty, please let us know of such action as may be taken so that same may be transmitted through channels.

I seem to recall that you told me verbally that Mr. Reynolds was quite a student of various types of incendiaries used in the present war and his interest in these and related matters might well be of some concern to the F.B.I.

Apparently the F.B.I. and OCD feel that this case is worthy of serious investigation and report.

I hope this will have your early attention.

Sincerely yours,

Jerrold Owen,
State Defense Coordinator

Dear Jerry:

Enclosed is a copy of the report made on the above subject by W. B. Odale of the Portland Police Department. The local FBI office and Army Intelligence Division in Portland also have copies of this report.

I wish to state that Mr. Reynolds still holds the position of Chief Air Raid Warden on the Reed College campus, although the Civilian Defense program has been dormant since the Army took over certain facilities of the college for specialized training.

TO: H. P. Everest, Assistant Director
FROM: Oregon State Defense Council
SUBJECT: LLOYD J. REYNOLDS.

We regret the delay in obtaining a report on the above person but that which was originally submitted by the Multnomah County Defense Council was not satisfactory and I requested further information.

I am this morning in receipt of a communication from Edward L. Boatright, Multnomah County Coordinator, wherein he states that Mr. Reynolds still holds the position of Chief Air Raid Warden on the Reed College campus, although the civilian defense program has been dormant since the army took over certain facilities of the college for specialized training.

I understand that Mr. Reynolds attended the War Department Civilian Protection School in Seattle and for a time, on his return, was utilized as an instructor in gas and incendiary defense in the city of Portland.

His activities now are confined to the Reed College campus and the county defense council of Multnomah County has disclosed no disposition to bring about his removal.

Mr. Boatright enclosed a copy of the report made on Mr. Reynolds by W. B. Odale of the Portland Police Department. This information also is in the possession of the Portland FBI office and the army intelligence division in Portland.
