This is from GlobalSign (it doesn't have the same info in the seal as we do, but is otherwise illustrative)

any existing will or codicil of the principal or as an heir under the Intestate Succession Act, if the principal died on this date without a will. I also state that I am not the principal's attending physician, nor a licensed health care provider or mental health treatment provider who is (1) an employee of the principal's attending physician or mental health treatment provider, (2) an employee of the health facility in which the principal is a patient, or (3) an employee of a nursing home or any adult care home where the principal resides. I further state that I do not have any claim against the principal or the estate of the principal.

Although this is what the paper document would look like, if you brought it up in Adobe PDF (electronic) form, there would be a signature panel, like this. The technology behind the signature panel is what achieves the tamper-evident standard.

The example below is from World Wide Notary. They claim to be able to produce a tamper-evident PDF for download or print.
