

Notary Public Fee Schedule According to OAR 160-100-410:

"A notary public who charges a fee for a notarial act shall either display a list of notary fees specified in OAR 160-100-400 in a conspicuous location in the notary public's place of business or give a copy of the notice to any person requesting a notarial act to read before having the notarial act performed. A place of business is the notary public's residence, business office or any other location in which the notary public performs a notarial act."

In other words, you must clearly display the fees you charge, or give the client a written list of those fees, before you notarize for that client, if you wish to charge them. If you do not charge them, there is no need to show the fees.
