2026 November General Election Unofficial Ballot Returns

Oregon Secretary of State
Elections Division

Election Date: 11/3/2026

Report Generated: 10/26/2026 3:51 PM

This report provides **raw, real-time data** on the number of ballot envelopes marked as returned in the Oregon Centralized Voter Registration (OCVR) and Election Management System during the election period. This report is compiled from multiple data sources and reflects the most current information available at the time indicated above.

The data in this report is **fluid**, meaning it changes as voter records are updated and as counties continue to receive and process ballots. Reports are generated from multiple data sources and reflect the most current information available at the time of publication.

It is important to note that **standard election administration practices require ballots to be recorded as “received” based on the date they are received**, not the date they are processed. This results in normal fluctuations in the daily return counts.

This report is provided **for transparency and public information purposes only**. All data presented here is unofficial and should **not be used for official reporting, certification, or analysis**.

Questions about this data? Contact our office—or better yet, reach out to your local election official to learn more about observation opportunities and how ballot processing works in your community.
