

Molly Woon
Division Director

CERTIFICATE OF APPROVAL

Hart InterCivic

Verity 2.7.7

Hart InterCivic has made upgrades to their Verity Voting System. Specifically, they have submitted ECO-01592, ECO-01599, ECO-01619, and ECO-01645 as supplements to previously approved materials. The test reports document that the systems meet all of the Oregon requirements and are conformant with the federal Voluntary Voting System Guidelines (VVSG), Version 1.0 (2005). Hart InterCivic has requested approval of this change for use in Oregon elections.

After reviewing the test materials submitted by Hart InterCivic and the approval of ECO-01592, ECO-01599, ECO-01619, and ECO-01645 by the EAC, we have determined that the upgraded system complies with the statutory requirements of Oregon Revised Statutes 246.550 and 246.560, specifically ORS 246.550(4) and Oregon Administrative Rule 165-007-0350.

Accordingly, the upgraded Hart InterCivic 2.7.7 Voting System with ECO-01592, ECO-01599, ECO-01619, and ECO-01645 is certified for sale, lease or use in all elections in Oregon. The system must be used in compliance with the provisions of applicable Oregon statutes and all Secretary of State, Election Division rules and directives.

Dated this 31st day of May 2024.

Luke Belant
Deputy Director of Elections
