Guidelines and Requirements

The Oregon voters’ pamphlet is a publication produced and distributed by the Elections Division. A voters’ pamphlet is produced for each Primary and General Election, as well as for any special statewide election.

It has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters’ pamphlet is mailed to every household in the state.

Included in the voters’ pamphlet is information about candidates, measures, recognized political parties and any assembly of electors. It also includes instructions for marking the ballot, a complete list of federal and state candidates, and other information on the voting process.

Procedures for filing a voters’ pamphlet statement or argument are explained in the following sections. It is very important to review the procedures thoroughly and follow the instructions completely.

ORESTAR

Oregon election law requires all statements and arguments submitted for inclusion in the state voters’ pamphlet to be filed electronically.

The Secretary of State has enhanced ORESTAR, a secure web-based electronic reporting system developed for committees to file campaign finance transactions, for voters’ pamphlet filings.

To submit voters’ pamphlet statements and arguments all filers must register in ORESTAR by creating a user account. For further detail on registering in ORESTAR and submitting a voters’ pamphlet filing using ORESTAR:

In the event the Secretary of State issues a written determination that ORESTAR is unavailable for use by filers submitting measure arguments who cannot pay filing fees using VISA or MASTERCARD, the following steps are designated as an alternative electronic filing system for their use. Filers must:

1. Draft the statement or measure argument in Microsoft Word.
2. Complete form SEL 405 State Voters' Pamphlet, Measure Argument.
   Form will be distributed by the Elections Division.
3. Electronically submit the measure argument in Microsoft Word document format and the completed SEL 405 by email to orestar-support.sos@oregon.gov.
   Any statement submitted to an email address other than orestar-support.sos@oregon.gov will not be accepted.
4. Pay the required filing fee by providing a check, cash, or any legal instrument redeemable as currency to the Elections Division.
   The filing is not considered complete and will not be accepted unless payment is received by 5 pm:
   Primary Election March 8, 2018
   General Election August 28, 2018
5. Amendments to arguments submitted under the alternative filing system must be submitted by email to orestar-support.sos@oregon.gov.
   Filers are prohibited from filing the same measure argument in ORESTAR.

Forms are available online at www.oregonvotes.gov.
Designated Filer for Specified Committees
The following committees and groups must provide written notification to the Elections Division of the ORESTAR account user name, first and last name, and contact information for the person designated to file the statements or arguments electronically:

→ Legislative Committee responsible for drafting argument in support of legislative referral;
→ Explanatory Statement Committee;
→ Legislative Counsel Committee;
→ Financial Estimate Committee;
→ Political parties;
→ Assembly of electors;
→ Citizens Initiative Review Commission; and
→ Oregon Criminal Justice Commission.

Generally, notification must be delivered to the Elections Division no later than 10 business days prior to any filing deadline. See the individual processes outlined in this manual on pages 11-20 for more detail.

Statements of Endorsement
ORS 251.049
If a filer uses the name of a person or organization in a statement or argument as supporting or endorsing the candidate or measure, the filer must either submit a completed and signed SEL 400, Statement of Endorsement form for each person or organization identified or include a publicly disseminated quote identified by source and date.

Form SEL 400 Statement of Endorsement
A Statement of Endorsement must be completed and signed by the person, or by an authorized person on behalf of an organization, consenting to the use of their name or the name of the organization they represent. An organization's name should be used only if the organization is endorsing the argument or statement. A spokesperson for an organization may not list individual names of members of the organization without an accompanying SEL 400 for each of those individuals. The form requires the following for completion:

1 the applicable election date;
   → A Statement of Endorsement is only valid for the election it is submitted for.
2 the statement or argument filing type;
3 the name of the candidate, political party, assembly of electors, or person who furnished the argument; and
   → A Statement of Endorsement is only valid for the statement or argument it is submitted for.
4 Endorsement information; select Option 1 or Option 2.
   → Option 1 allows the statement or argument filer to determine how a person's name, applicable title, name of the organization the person is authorized to represent, if any, and other biographical information will appear in the statement or argument.
   → Option 2 requires the statement or argument filer to reproduce the person's name, applicable title, name of the organization the person is authorized to represent, if any, exactly as it appears on the completed and signed SEL 400.

A quote made by the person or by an authorized person on behalf of an organization is not required to be included on or attached to the completed and signed form.

Forms are available online at www.oregonvotes.gov.
Preferred Filing Format
The Elections Division requests Statements of Endorsements be filed in the following manner:

1. compile all Statement of Endorsement forms into a single PDF document;
2. name the scanned document with the statement or arguments filer’s last name; and
3. upload electronically using ORESTAR.

Endorsements may also be delivered, mailed, or faxed to the Elections Division.

Publicly Disseminated Quote
The name of the person or organization with a quotation made by the person or by an authorized person on behalf of an organization may be included if the quote:

- has been disseminated to the public prior to its inclusion in the statement or argument and
  - Publicly disseminated includes, but is not limited to, being published on a website.
- is identified by its source and date in the statement or argument.

Formatting of Voters’ Pamphlet Material
A statement or argument may only include:

- words and numbers (charts and graphics may not be used);
- numbered or bulleted lists;
- italic, bold or underlined text;
- block quotes;
- centered, left justified, or right justified text; and
- a table to ensure two-column formatting.

Filers are encouraged to use the text editor in ORESTAR to draft and format a statement or argument that complies with the requirements listed above. Statements or arguments drafted in other applications and copied and pasted into the ORESTAR text editor may be edited by the Elections Division to comply with text and format requirements.

Standard formatting is applied to all voters’ pamphlet statements and arguments:

- Indented, numbered, and bulleted lists with hanging bullet or number;
- font size;
- smart quotation marks;
- vertical spacing between paragraphs;
- single spacing after punctuation and between words;
- plain text for candidate statement required information;
urls and email addresses will be converted to hyperlinks (those that convert to hyperlinks in MS Word, if auto format of hyperlinks is enabled);

hyperlinks will be underlined in the print version of the voters’ pamphlet;

table borders will not be published, and cell padding will not be enforced; and

first line indents, superscript, subscript, and small caps are disallowed.

The Elections Division may make additional text or format changes to comply with space and word count limitations or to facilitate the use of assistive technology. Statements and arguments will not be returned to filers for proofreading before or after the printing of the voters’ pamphlet.

Types of Filings

The types of statements and arguments which may be submitted for inclusion in the state voters’ pamphlet are explained in the following sections. It is very important to review the information thoroughly to ensure the statement or argument is submitted to the appropriate filing officer.

ORS 251.065-251.095

Any federal or state candidate may file a statement for inclusion in the state voters’ pamphlet. Candidates for county, city, and metropolitan service district offices may only file for inclusion in the state voters’ pamphlet if a county in the electoral district is not producing a voters’ pamphlet.

Measure Arguments

ORS 251.255

A ballot measure argument is a statement supporting or opposing a measure on the ballot. Any person or organization may file an argument in favor of or in opposition to a state measure for inclusion in the voters’ pamphlet. A measure argument must be filed by the individual who will be listed as furnishing the information in the Voters’ Pamphlet.

Each argument submitted in favor of or in opposition to a measure is assigned a number that will be used to randomly order all arguments submitted for the measure within a category. Arguments in favor of a measure appear first, followed by arguments in opposition to the measure, and are printed in the state voters’ pamphlet in the randomly generated order.

A random number generator program will be used to assign the random order.

Included Information
In addition to the arguments supporting or opposing a state measure the following information is included in the state voters’ pamphlet for each measure on the ballot:

→ ballot title;
→ estimate of financial impact;
→ explanation of the estimate of financial impact, if determined to be necessary by the committee;
→ complete text of the proposed measure; and
→ explanatory statement.

Ballot Title
A ballot title is a concise and impartial statement drafted by the Attorney General’s office summarizing the measure and consists of:

→ a caption of not more than 15 words that reasonably identifies the subject matter of the measure;
→ a simple and understandable statement of not more than 25 words that describes the result if the measure is approved;
→ a simple and understandable statement of not more than 25 words that describes the result if the measure is rejected; and
→ a concise and impartial statement of not more than 125 words summarizing the measure and its major effect.

Financial Impact Statement
An estimate of the financial impact of each state measure is prepared and printed in the state voters’ pamphlet and on the ballot. The estimate is prepared by the Financial Estimate Committee, which consists of the Secretary of State (the chair), State Treasurer, Director of the Department of Administrative Services, Director of the Department of Revenue, and a representative of a city, county, or district with expertise in local government finance who is selected by the other four committee members. The committee has several responsibilities.

Forms are available online at www.oregonvotes.gov.
1. The committee estimates the financial impact of a state measure on state and local government revenues and expenditures and files the statement electronically using ORESTAR.

Financial estimates must be impartial, simple, and understandable and include:

→ the amount, if any, of financial effect on state, local, or tribal government expenditures, revenues, or indebtedness (with specific amounts or ranges of amounts);

→ any such recurring annual amounts;

and

→ a description of the most likely financial effects if the measure is enacted and (optionally) if it is not enacted.

→ If the financial effect estimated is $100,000 or less, or the measure is estimated to have no financial effect, a statement to that effect must be printed.

2. The committee consults the Legislative Revenue Officer (LRO) to determine if the measure has potentially significant indirect economic or fiscal effects which can be estimated. The Committee must incorporate relevant information prepared by the LRO to estimate any potentially significant indirect economic or fiscal effects.

3. The committee considers suggested changes and any other information submitted before or during public hearings held in Salem. To be considered, suggested changes or other information may be considered, provided they are:

→ submitted orally or in writing at the hearing

or

→ submitted in writing to the Secretary of State at any time before the close of the hearing.

4. The committee must file a final financial estimate or financial statement if modifications are made.

City Measure in State Voters’ Pamphlet

There is no provision under state law that allows a city measure to appear in the state voters’ pamphlet.

Filing Statements and Arguments

To be included in the state voters’ pamphlet all, statements and arguments are required to be filed electronically using ORESTAR and accompanied by the required filing fee or a completed voters’ pamphlet petition containing the required number of signatures in lieu of the filing fee. The signature sheets for a completed voters’ pamphlet petition are submitted by paper.

Voters’ pamphlet filings are submitted while logged into the Private Workshop page in ORESTAR.

see the ORESTAR User’s Manual: Voters’ Pamphlet Filing for detailed instruction on filing electronically.

Voters’ Pamphlet Access

To ensure a statement for a state candidate or an argument for a state measure appears in the voters’ pamphlet, filers may submit a prospective petition and pay the filing fee. The fee must be paid prior to the filing deadline. If the voters’ pamphlet petition is filed with the Elections Division by 5 pm on the filing deadline, and it contains the required number of signatures, the filing fee will be refunded.

Filing by Fee

After launching the Voters’ Pamphlet Filing entry pages:

1. select Fee as the filing method in the Filing Information Tab;
2. complete all required fields in the Filing Information Tab and Statement Tab;
3. use the Upload Tab to attach any Statements of Endorsements or a photograph of the candidate; and
4. pay the required filing fee using eCheck, VISA, or MasterCard.

An eCheck is an electronic version of a paper check used to make payments online. It allows filers without a VISA or MASTERCARD to electronically pay the required filing fees.

if an eCheck is returned due to insufficient funds and the filing deadline has not passed, contact the Elections Division at 503 986 1518 for instruction on resubmitting payment.

Any statement or argument paid for with an eCheck that is returned due to insufficient funds after the filing deadline will not appear in the voters’ pamphlet.
Filing by Petition

After launching the Voters’ Pamphlet Filing entry pages, do the following:

1 Prospective Petition

→ Select Petition as the filing method in the Filing Information Tab;
→ complete all required fields in the Filing Information Tab and Statement Tab;
→ use the Upload Tab to attach any Statements of Endorsements or a photograph of the candidate; and
→ click Submit Filing.

2 Approval to Circulate

The Elections Division reviews the prospective petition and, if complete, will provide written approval to circulate that includes the number of signatures required, the filing deadline, and:

- signature sheet template
- a copy of the statement or argument that must be attached to or copied onto the back of the signature sheet template.

⚠️ After receiving approval to circulate the statement or argument may not be amended unless the filer begins the petition process again.

3 Format of Petition Signature Sheets

Each signature sheet must meet the following requirements:

- standard 8½ x 11 size paper or equivalent;
- printed on at least 20 pound uncoated paper or equivalent; and
- have the statement or argument either copied on the reverse or attached to the signature sheet.

ℹ️ No more than five petition sheets may be attached to a single copy of the statement or argument.

4 Gathering Petition Signatures

The legal requirements and guidelines for circulating the petition must be reviewed with circulators prior to collecting any signatures.

→ To ensure the petition has a sufficient number of valid signatures, filers are advised to obtain more than the required number of signatures.

⚠️ Failure to comply with the legal requirements and guidelines may result in rejection of those sheets.
5 Guidelines for Circulation

To ensure compliance with circulating requirements filers must educate circulators on the guidelines for circulating the statement or argument and monitor their activities.

Circulator Requirements

<table>
<thead>
<tr>
<th>Each circulator must:</th>
<th>What this means:</th>
</tr>
</thead>
</table>
| ➔ Personally witness each signature collected. | ✓ Watch the person sign the petition.  
   ➔ Watch the person sign the petition.  
   It is not sufficient to merely be present in the same room or vicinity. |
| ➔ Complete the circulator certification after witnessing all signatures collected on a sheet. | ✓ Sign the certification using a legal signature.  
   ➔ Sign the certification using a legal signature.  
   A legal signature is defined as a signature possessing obvious and predominantly matching characteristics to signatures on file from a paid circulator’s registration, signatures in the Oregon voter registration file, or the signature on an official government document.  
   ➔ Initials, signature stamps, illegible or printed script are not sufficient unless verified by exemplar. |
| ➔ Provide the date when the certification was signed. | ✓ The date must be provided in month, day, year order if written in all numbers. |

⚠️ A circulator’s failure to comply with these requirements may result in the rejection of the petition signature sheets and a felony conviction for the circulator.

Circulator Prohibitions

It is against the law for circulators to knowingly:

| ➔ circulate a petition containing a false signature; |
| ➔ attempt to obtain the signature of a person who is not qualified to sign the petition;  
   ➔ Only active registered voters in the candidate’s district or who would be eligible to vote for the measure may sign a petition. |
| ➔ make false statements to any person who signs the petition or requests information about it; |
| ➔ offer money or anything of value to another person to sign or not sign the petition; and |
| ➔ sell or offer to sell signature sheets. |

Signer Requirements

<table>
<thead>
<tr>
<th>Each petition signer must:</th>
<th>What this means:</th>
</tr>
</thead>
<tbody>
<tr>
<td>➔ Signers must provide an original signature but are encouraged to provide their printed name, date signed, and address.</td>
<td>✓ Petition signers must sign the petition using a signature contained in their voter registration record.</td>
</tr>
</tbody>
</table>

   **For candidate statements**  
   ➔ Signers must be an active registered voter in the candidate’s electoral district.  
   For state measure arguments

   ✓ Information in the voter registration record is up to date, and the signers would be able to vote on candidates for the office at a general election or on the measure.
**Signature Date**
If no date is provided by the signer, the signature is only considered valid if the signer:

- was an active registered voter between the date the petition was approved to circulate and the circulator’s certification date or
- originally registered to vote on or after the date the petition was approved to circulate and was an active registered voter between their original registration date and the circulator’s certification date.

This standard also applies to any signer that provides an ambiguous date such as a date of birth or a date that has not yet occurred at the time of verification instead of the date they signed the petition.

**Signer Prohibitions**
It is against the law for signers to knowingly:

- sign another person’s name under any circumstances;
- sign a petition more than one time; or
- sign a petition when not qualified to sign it.

Only active registered voters may sign a petition. If the signer is not registered to vote or an active voter, then the signature will be rejected unless a completed registration card is received by a designated voter registration agency or elections filing officer before 5 pm the day the petition is signed or 11:59 pm if completed electronically online at [www.oregonvotes.gov](http://www.oregonvotes.gov).

**6 Certification of Signature Sheets**

*OAR 165-014-0270*

After all signatures on a signature sheet have been collected, circulators complete the certification by signing their legal signature with a minimum of a first-name initial and full last name and by providing the date when the certification was signed.

If additional signatures are gathered after the circulator certification has been signed and dated, the circulator must re-sign and re-date the certification.

If the circulator certification is not completed or determined to be insufficient the signature sheet may be rejected. Prior to submission for signature verification the circulator may correct only the following defects:

**Circulator Signature Defects**

</tbody>

The following defects in the circulator certification cannot be corrected and any signature sheet submitted that contains one of these defects will be rejected:

#### Incurable Defects

- → the original signature of a circulator has been crossed out, and a different circulator’s signature is inserted;  
  ❁ This does not apply if the original signature is that of an individual whose signature appears on the same signature sheet as a signer.
- → two individuals sign and date as circulator; or  
  ❁ This does not apply if the only signers and the circulators are the same people.
- → white-out or other correction fluid or adhesive tape appears on the signature line.

Illustrated examples of circulator signature and date defects are available in the Circulator Training Manual located at www.oregonvotes.gov.

### 7 Signature Verification and Completing the Petition

Filers submit signature sheets containing at least 100% of required number of signatures to the appropriate elections official for verification against the voters’ registration record, allowing sufficient time for the verification process to be completed prior to the filing deadline.

⚠️ The Elections Division will not accept signatures for verification or certified signature sheets prior to the first day to file by fee or completed petition.

🔍 See Filing Requirements on page 4.

ℹ️ The elections official is not required to begin verification until the raw number of signatures submitted is equal to or exceeds the required number of signatures.

Before submitting the signature sheets for verification, statement and argument filers must ensure each signature sheet certification is signed and dated by the circulator.
Verification Conducted by Elections Division
If the Elections Division is the elections official that will conduct signature verification, the filer must also complete and submit:

- Form SEL 338 Petition Submission

Verification Conducted County Elections Official
To complete the petition process, a statement or argument filer must submit to the Elections Division:

- Completed form SEL 338 Petition Submission
- signature sheets, certified by the county elections official, that contain the required number of valid signatures.

8 Signature Tally
Each signature sheet is reviewed and removed by the Elections Division if:

- signatures were gathered on a signature sheet that was not approved for circulation;
- the circulator failed to sign and date the certification;
- the circulator signed the certification before all signers on the signature sheet;
- any sheet where the circulator certification contains an incurable defect; and
- all information included in the optional information fields about petition signers, such as printed name, address and date signed, does not comply with OAR 165-014-0275.

After tabulating the number of signatures contained on the accepted signature sheets the Elections Division notifies the filer of the final tally.

If the petition does not contain the required number of valid signatures and the filing deadline has not passed, additional signatures may be submitted.

Amending a Filing
Statements and arguments may be amended in ORESTAR until 5 pm on the filing deadline day for the election. Filers may change the statement or argument, provide SEL 400s, or replacement or substitute photographs.

If the filer is submitting signatures in lieu of the filing fee, the statement or argument may not be amended unless the filer begins the petition process again or pays the required filing fee.

See the ORESTAR User’s Manual: Voters’ Pamphlet Filing for detailed instruction on amending a voters’ pamphlet statement or argument electronically.

Withdrawing a Filing
Statements and arguments may be withdrawn in ORESTAR until 5 pm on the filing deadline day for the election. Once withdrawn, the statement or argument cannot be re-activated but may be re-filed as long as the filing deadline has not passed. Any signatures collected in lieu of the filing fee for the withdrawn statement or argument may not be re-used. Any required fee that was paid will be refunded.

Candidates that withdraw their candidacy in accordance with the Candidates Manual, but after the voters’ pamphlet filing deadline, will not appear in the voters’ pamphlet and any filing fee paid will be refunded.

Statement of Endorsement Agreement
Conflicts between the SEL 400 and the statement or argument are resolved in the following manner:

→ When reviewed, if both Option 1 and Option 2 are selected on the SEL 400 and nothing has been entered in the Required Reproduction box, the SEL 400 will be accepted as if only Option 1 had been selected.

→ When reviewed, if both Option 1 and Option 2 are selected on the SEL 400 and the endorser has entered information in the Required Reproduction box, the SEL 400 will be accepted as if only Option 2 had been selected.

- the statement, after revision, does not exceed 325 words or 30 square inches of space and
- the revision maintains the format of the statement.

The Elections Division will contact the filer of a statement not administratively revised to provide the reasons why material fails to comply with applicable statutes and provide the deadline to submit requested corrections.

Review of Arguments
After the deadline, each argument is reviewed by the Elections Division to determine if an error was made in:

→ identifying the measure number to which the argument relates or
designating that the argument supports or opposes the measure.

The Elections Division also reviews each argument for statement of endorsement agreement and may make any necessary changes to correct or bring the material into compliance.

Correcting Material after Deadline

If corrections to a statement, photograph, statement of endorsement, or argument are necessary, the Elections Division will attempt to contact the filer using the contact information provided in the filing.

Contact means:

→ speaking with any person or leaving a message on an answering device;
→ sending an email; or
→ receiving a fax confirmation report showing a successful transmission.

After identifying materials that require correction or violate statutory provisions, the Elections Division provides the necessary information to correct or bring the material into compliance, if allowed, as outlined below.

Additional changes to the statement or argument that were not identified by the Elections Division cannot be made.

The Elections Division will provide the statement or argument filer with the reasons why the material fails to comply with applicable statutes and provide the deadline to submit requested corrections.

→ Revisions may be emailed, faxed, hand-delivered, mailed, or taken over the phone.

If the statement or argument is revised over the phone a written confirmation of the revisions may be required.

→ A revised portrait may be emailed, hand-delivered, or mailed.

If the Elections Division is unable to contact the filer, or the filer fails to submit the requested corrections by the deadline, the material will be rejected or edited as necessary.
