## House Joint Resolution #16

**“Amends Constitution: Authorizes impeachment of statewide elected officials by Oregon Legislature with two-thirds vote by each House; establishes process.”**

### Estimate of Financial Impact:

This measure amends the constitution to allow the House of Representatives to impeach statewide elected officials. The measure requires the Senate to try any impeachment received from the House. The Chief Justice presides over the trial. The financial impact on state government is indeterminate because impeachment trials do not have a set length and could happen outside of regularly scheduled sessions. There is no fiscal impact on local governments.

### Certification:
