## Senate Joint Resolution #34

**“Amends Constitution: Establishes “Independent Public Service Compensation Commission” to determine salaries for specified officials; eliminates legislative authority to set such salaries.”**

### Estimate of Financial Impact:

This measure amends the Constitution to create a Commission responsible for deciding the salaries of certain elected officials. The money for the salaries will come from the General Fund. The measure itself does not decide the moneys needed to cover the salaries. The fiscal impact to the state, for chosen salaries and commission staff, could not be determined. There is no fiscal impact on local governments.

### Certification:

We, the undersigned, hereby certify that, pursuant to ORS 250.127(3), we have prepared the statement described under “Estimate of Financial Impact.”
