(2) Provide directions to election officers for calculating whether the required number of registered voters eligible to vote voted in the election; and

(3) Interpret the words "cast a ballot" in section 11 (8), Article XI of the Oregon Constitution, as meaning that a ballot was lawfully cast, whether or not the vote of that ballot may lawfully be counted for reasons other than the eligibility of the voter to vote. [1997 c.541 §310]

250.035 Form of ballot titles for state and local measures. (1) The ballot title of any measure, other than a state measure, to be initiated or referred shall consist of:

(a) A caption of not more than 10 words which reasonably identifies the subject of the measure;

(2) The ballot title of any state measure to be initiated or referred shall consist of:

(a) A caption of not more than 15 words that reasonably identifies the subject matter

Any thing or action described both in the statement required by paragraph (b) of this subsection and in the statement required by this paragraph shall be described using the same terms in both statements, to the extent practical. Any different terms must be terms that an average elector would understand to refer to the same thing or action. The statement shall include either the phrase, "I vote" or "vote no," or a substantially similar phrase, which may be placed at any point within the statement; and

(d) A concise and impartial statement of not more than 125 words summarizing the state measure and its major effect.

(4) The statement required by subsection (2)(b) of this section shall be written so that an affirmative response to the statement corresponds to an affirmative vote on the state measure.

(5) The statement required by subsection (2)(c) of this section shall be written so that an affirmative response to the statement corresponds to a negative vote on the state measure.

(6) In the statements required by subsection (2)(b), (c) and (d) of this section, reasonable discretion shall be allowed in the use of articles and conjunctions, but the statements shall not omit articles and conjunctions that are necessary to avoid confusion to or misunderstanding by an average elector. [1979 c.190 §143; 1979 c.675 §1; 1985 c.405 §1; 1987 c.556 §1; 1987 c.875 §1; 1995 c.534 §1; 1997 c.541 §312; 1999 c.793 §1; 2001 c.104 §78; 2009 c.566 §3]

The petition shall state the reasons that the title filed with the Secretary of State does not substantially comply with the requirements of ORS 250.035.

(2) Any elector dissatisfied with the latest ballot title for an initiated or referred measure certified by the Attorney General and who timely submitted written comments on the draft ballot title may petition the Supreme Court seeking a different title. The petition shall state the reasons that the title filed with the Secretary of State does not substantially comply with the requirements of ORS 250.035.

(3) The petition shall name the Attorney General as the respondent and must be filed:

(a) Not later than the 10th business day after the Attorney General certifies a ballot title or a corrected ballot title to the Secretary of State, whichever is later; or

(5) The Supreme Court shall review the title for substantial compliance with the requirements of ORS 250.035.

(6) When reviewing a title certified by the Attorney General, the Supreme Court shall not consider arguments concerning the ballot title not presented in writing to the Secretary of State unless the court determines that the argument concerns language added to or removed from the draft title after expiration of the comment period provided in ORS 250.067.

(7) The review by the Supreme Court shall be conducted expeditiously to ensure the orderly and timely circulation of the petition or conduct of the election at which the measure is to be submitted to the electors.

(8) If the Supreme Court determines that the latest ballot title certified by the Attorney General or prepared by the Legislative Assembly substantially complies with the requirements of ORS 250.035, the court shall certify the title to the Secretary of State. If the Supreme Court determines that the latest ballot title certified by the Attorney General or prepared by the Legislative Assembly does not substantially comply with the requirements of ORS 250.035, the court shall modify the ballot title and certify the ballot title to the Secretary of State or refer the ballot title to the Attorney General for modification.

(9) Not later than five business days after the Supreme Court refers a ballot title to the Attorney General under this section, the Attorney General shall file a modified ballot title with the Supreme Court and serve copies of the modified ballot title on all parties to the ballot title review proceeding. If no party to the ballot title review proceeding files an objection to the modified ballot title within five business days after the date the modified ballot title is filed, the Supreme Court shall certify the modified ballot title to the Secretary of State and enter an appellate judgment the next judicial day. If any of the parties to the ballot title review proceeding timely files a petition objecting to the modified ballot title, the Supreme Court shall review the modified ballot title to determine whether the modified ballot title substantially complies with the requirements of ORS 250.035.

(10) Upon the filing of a petition under subsection (9) of this section objecting to a modified ballot title:

(a) If the Supreme Court determines that the modified ballot title substantially complies with the requirements of ORS 250.035, the court shall certify the modified ballot title to the Secretary of State; or

(b) If the Supreme Court determines that the modified ballot title does not substantially comply with the requirements of ORS 250.035, the court shall modify the ballot title and certify the ballot title to the Secretary of State or refer the modified ballot title to the Attorney General for additional modification and further proceedings under subsection (9) of this section. 250.105 Petition filing requirements; monthly filing; signature verification; rules. (1)(a) An initiative or referendum petition relating to a state measure must be filed with the Secretary of State for the purpose of verifying whether the petition contains the required number of signatures of electors.

(b) Signatures previously verified on a prospective petition for a state measure to be initiated shall be included in the calculation under this section for the purpose of verifying whether the initiative petition contains the required number of signatures of electors.

(c) When filing an initiative or referendum petition, the signature sheets must be sorted on the basis of the name of the person who obtained the signatures on the sheet.

(d) The secretary shall adopt rules establishing procedures for verifying signatures on an initiative or referendum petition.

(e) A filed initiative or referendum petition must contain only original signatures. The secretary or county clerk shall verify each petition in the order in which the petitions are filed with the secretary.

(2)(a) Once every month, the chief petitioner, or agent on behalf of the chief petitioner, of an initiative petition relating to a state measure shall file with the secretary all signature sheets containing signatures of electors obtained by a person being paid to obtain signatures on the petition since the previous monthly filing. The secretary shall hold all signature sheets filed under this subsection unless the chief petitioner withdraws the petition.

(b) The secretary shall adopt rules prescribing the dates by which signature sheets must be filed each month. The secretary may not accept signature sheets containing signatures of electors obtained by a person being paid to obtain signatures on the petition before the previous monthly filing deadline prescribed under this paragraph for purposes of determining whether an initiative petition relating to a state measure contains the required number of signatures of electors under this section.

(3) The secretary may not accept a referendum petition relating to a state measure for filing if the petition contains less than 100 percent of the required number of signatures. The secretary may not determine whether an initiative petition contains the required number of signatures of electors unless at least 100 percent of the required

number of signatures have been filed with the secretary.

(4) If the total number of signatures required on an initiative petition or referendum petition is submitted not less than 165 days before the election at which the proposed measure is to be voted upon and if the secretary determines that insufficient signatures have been submitted but the deadline for filing signatures on the petition has not passed, the petitioners may submit additional signatures.

(5) The secretary by rule shall designate a statistical sampling technique to verify whether a petition contains the required number of signatures of electors. A petition may not be rejected for the reason that it contains less than the required number of signatures unless two separate sampling processes both establish that the petition lacks the required number of signatures. The second sampling must contain a larger number of signatures than the first sampling. If two samplings are required under this subsection, the total number of signatures verified on the petition shall be not less than five percent of the total number of signatures on the petition.

(6) For purposes of estimating the number of duplicate signatures contained in a petition, the secretary shall apply at least an eight percent duplication rate in the first sampling of signatures on all petitions. If a second sampling of signatures is required under subsection (5) of this section, the secretary shall calculate an estimated signature duplication rate for each petition for which a second sampling is required. The calculation shall be based on the number of electors the secretary determines have signed a specific petition more than once.

(7) When verifying signatures for a state initiative or referendum petition, the secretary or county clerk shall identify on an elector's voter registration record or other database that the elector signed the specific initiative or referendum petition.

(8) The Secretary of State may employ professional assistance to determine the sampling technique to be designated under subsection (5) of this section.

(9) The Secretary of State and the county clerk, if requested, shall permit authorized persons to be at the office of the secretary or county clerk to watch the verification of signatures on a state initiative petition or prospective petition for a state measure to be initiated under this section. The authorization shall be in writing and shall be filed with the secretary or county clerk. The secretary or county clerk shall permit only as many persons as watchers under this subsec-

tion as will not interfere with an orderly procedure at the office of the secretary or county clerk. [1979 c.190 §149; 1985 c.447 §7; 1989 c.68 §6; 1999 c.1021 §1; 2007 c.848 §11; 2009 c.533 §8; 2009 c.720 §5; 2013 c.519 §2]

250.115 Numbering of state measures.

(1) The Secretary of State shall number the measures to be voted on in the state at large consecutively and shall not repeat any number in any subsequent election. For each election, the numbers assigned shall begin with the number after the last number assigned under this section at the previous election. The Secretary of State shall number amendments to the Oregon Constitution referred to the people by the Legislative Assembly in the order that the amendments are filed with the Secretary of State, followed immediately in number by Acts of the Legislative Assembly submitted to the people for approval or rejection in the order that the Acts are filed with the Secretary of State, followed immediately in number by initiative or referendum petitions in the order that the petitions are filed for signature verification with the Secretary of State.

(2) The Secretary of State shall number state measures not referred to under subsection (1) of this section consecutively, beginning with the number after the last number assigned under subsection (1) of this section, in the order in which the measures are filed with the secretary. (1) When a state measure involves expenditure of public moneys by the state, reduction of expenditure of public moneys by the state, reduction of state revenues or raising of funds by the state by imposing any tax or incurring any indebtedness, the financial estimate committee created under this section shall estimate:

(a) The amount of direct expenditure, direct reduction of expenditure, direct reduction in state revenues, direct tax revenue or indebtedness and interest that will be required to meet the provisions of the measure if it is enacted; and

(b) The aggregate amount of direct expenditure, direct reduction of expenditure, direct reduction in revenues, direct tax revenue or indebtedness and interest that will be required by any city, county or district to

meet the provisions of the measure if it is enacted.

(2) For a state measure for which an estimate is required to be prepared under subsection (1) of this section, the financial estimate committee may estimate the aggregate amount of direct expenditure, direct reduction of expenditure, direct reduction in revenues, direct tax revenue or indebtedness and interest that will be required by any federally recognized Native American or American Indian tribal government to meet the provisions of the measure if it is enacted.

(3) If the Legislative Assembly has enacted a law that will apply only if the measure for which an estimate is required to be prepared under subsection (1) of this section is not enacted, the financial estimate committee may also estimate the amount of direct expenditure, direct reduction of expenditure, direct reduction in revenues, direct tax revenue or indebtedness and interest that will result for the state, any city, county or district or any federally recognized Native American or American Indian tribal government if the measure is not enacted.

(4) For a state measure for which an estimate is required to be prepared under subsection (1) of this section, the financial estimate committee shall consult with the Legislative Revenue Officer to determine if the measure has potentially significant indirect economic or fiscal effects. If the committee determines that the indirect economic or fiscal effects of the measure are significant and can be estimated, the Legislative Revenue Officer shall prepare on behalf of the committee an impartial estimate of the indirect economic or fiscal effects of the measure. The Legislative Revenue Officer shall use the best available economic models and data to produce the estimate. The financial estimate committee shall incorporate relevant parts of the estimate prepared by the Legislative Revenue Officer into the estimate prepared by the committee under subsection (1) of this section.

(5) Except as provided in subsection (6) of this section, the estimates described in subsections (1) to (3) of this section shall be printed in the voters' pamphlet and on the ballot. The estimates shall be impartial, simple and understandable and shall include the following information:

(b) A statement of any recurring annual amount of financial effect on state, local or tribal government expenditures, revenues or indebtedness;

(c) A description of the most likely financial effect or effects of the adoption of the measure; and

(d) If an estimate is made under subsection (3) of this section, a description of the most likely financial effect or effects if the measure is not enacted.

(6) If the financial estimate committee determines that the measure will have no financial effect on state, local or tribal government expenditures, revenues or indebtedness or that the financial effect on state, local or tribal government expenditures, revenues or indebtedness will not exceed \$100,000, the committee shall prepare and file with the Secretary of State a statement declaring that the measure will have no financial effect or that the financial effect will not exceed \$100,000. The statement shall be printed in the voters' pamphlet and on the ballot.

(7) In addition to the estimates described in subsections (1) to (3) of this section, if the financial estimate committee considers it necessary, the committee may prepare and file with the Secretary of State an impartial, simple and understandable statement explaining the financial effects of the measure. The statement may not exceed 500 words. The statement shall be printed in the voters' pamphlet with the measure to which it relates.

(8) The Legislative Policy and Research Committee shall provide any administrative staff assistance required by the financial estimate committee to facilitate the work of the financial estimate committee under this section or ORS 250.127.

(9) The financial estimate committee is created, consisting of the Secretary of State, the State Treasurer, the Director of the Oregon Department of Administrative Services, the Director of the Department of Revenue and a representative of a city, county or district with expertise in local government finance. The representative of a city, county or district shall be selected by the four other members of the financial estimate committee and shall serve for a term of two years that begins on March 1 of the odd-numbered year. ORS 250.125 and, if the committee considers it necessary, a statement explaining the financial effects of the measure as described in ORS 250.125 (7). The financial estimate committee may begin preparation of the estimates and statement on the date that a petition is accepted for verification of signatures under ORS 250.105 or the date that a measure referred by the Legislative Assembly is filed with the Secretary of State, whichever is applicable.

(2) Not later than the 95th day before the election, the Secretary of State shall hold a hearing in Salem upon reasonable statewide notice to receive suggested changes to the estimates or statement or to receive other information. At the hearing any person may submit suggested changes or other information orally or in writing. Written suggestions or other information also may be submitted at any time before the hearing.

(3) The financial estimate committee shall consider suggestions and any other information submitted under subsection (2) of this section, and may file revised estimates or a revised statement with the Secretary of State not later than the 90th day before the election.

(4) Except as provided in subsection (5) of this section, the original estimates and statement and any revised estimates or statement shall be approved by a majority of the members of the financial estimate committee. If a member does not concur, the estimates or statement shall show only that the member dissents. The Secretary of State shall certify final estimates and a final statement not later than the 90th day before the election at which the measure is to be voted upon. All estimates and statements prepared under ORS 250.125 and this section shall be made available to the public.

(5) If a majority of the members of the financial estimate committee do not approve the estimates or statement, the Secretary of State alone shall prepare, file and certify the estimates or statement not later than the 88th day before the election at which the measure is to be voted upon with the data upon which the estimates or statement is based.
