👋 Hello from Tobias Read, Secretary of State of Oregon

I’m reaching out to provide trustworthy voting information to help Oregon get out and vote!

How to vote in Oregon

- **Oregon does elections entirely by mail**. We've been doing it this way for almost 30 years and it's a secure process, not to mention convenient and accessible for Oregonians.
- **Ballots are mailed to active registered voters on October 14th.** If you don't receive your ballot by October 21st, contact your county's election office.
- **Return your ballot to a drop box by 8:00 pm on Election Day (Nov 3rd) or mail it back by October 27th.** This gives the post office enough time to postmark and deliver your ballot.

Sign up to track your ballot and get updates

- **Oregon now offers ballot tracking** so you can see exactly when your ballot was mailed and received by your election office. You can sign up for updates by email, text, or phone call.
- **It's a quick, easy, secure way** to know your vote is counted, and where it's at in the process.
- **You will get updates:**
  - When your ballot is mailed to you
  - When your ballot is received by your county election office
  - When your ballot is accepted and counted
  - If your ballot was not accepted because of an issue with the signature on your ballot envelope that can be fixed

Key dates to remember

October 13th: Last day to register to vote

October 14th: Ballots are sent to you in the mail

October 27th: Last recommended day to return your ballot by mail. After this date, use a secure, official drop box.

November 3rd: Election Day: Ballots must be returned by 8:00 pm to an official drop box or postmarked by USPS. No postage necessary. **Find your nearest dropbox location.**

- **Election night isn't always results night.** Election workers need time to count every single vote. It's normal for it to take a few days to get results. This allows for an accurate and complete counting process. Every eligible ballot counts!

Accessibility accomodations and language assistance

- **You can request assistance with voting.** You have the right to **request accessibility accomodations,** such as getting help registering to vote, marking your ballot, or returning your ballot.
- **If English isn't your first language:** Learn how to register in Spanish, Simplified Chinese, Korean, Vietnamese, and Russian. Here's more info (in all of the above languages) on how to clearly fill out your ballot, sign your ballot, vote early, and know your voting rights.
- **Check out our videos.** We've also got some helpful videos on our **@OregonElections YouTube page!**
