Sam Desue, Jr., General Manager
TriMet

Dear Mr. Desue,

Congratulations on completing the transit redistricting process. I have reviewed your plan and process. This correspondence serves as official approval of your final map.

Pursuant to ORS 267.090, on June 28th, 2022, I have divided the transit subdistricts as described in your submitted maps. The changes to the map become effective on July 1, 2022.

As you know, this process takes place only once every ten years and required a great deal of cooperation. We thank you for your partnership in this process, particularly your work to meet the public engagement requirements and diversity, equity, and inclusion values highlighted in our adopted rule.

Please don't hesitate to contact my office with any questions or feedback you have on the process. Given the length of time between each redistricting, I encourage you to document your process for posterity. We will be archiving information relating to this process, including a copy of this letter, at: www.sos.oregon.gov/transit.

Thank you,

Shemia Fagan
Oregon Secretary of State
