CERTIFICATE OF APPROVAL
Elections Systems & Software
Version 6.3.0.0

Elections Systems and Software has made upgrades to their EVS Voting System. Specifically, they have submitted EVS Version 6.3.0.0, along with their federal test lab report. The test reports document that the systems meet all of the Oregon requirements and are conformant with the federal Voluntary Voting System Guidelines (VVSG), Version 1.0 (2005). Elections Systems and Software has requested approval of this change for use in Oregon elections.

After reviewing the test materials submitted by Elections Systems and Software and the approval of EVS Version 6.3.0.0 by the EAC, we have determined that the upgraded system complies with the statutory requirements of Oregon Revised Statute 246.560 and Oregon Administrative Rule 165-007-0350.

Accordingly, the upgraded EVS 6.3.0.0 Voting System is certified for sale, lease or use in all elections in Oregon. The system must be used in compliance with the provisions of applicable Oregon statutes and all Secretary of State, Election Division rules and directives.

Dated this 26th day of February 2025.
