element **transaction/operation**

diagram	<p>The diagram shows a box labeled 'operation' with the text 'The operation that the transaction is performing.' below it. This box is connected to a choice element (represented by a circle with a vertical line and a horizontal line). From this choice element, three lines branch out to three separate boxes: 'add', 'amend', and 'delete'. Below each of these boxes is a descriptive text: 'submit a transaction', 'amend a pre submitted transaction.', and 'delete a pre submitted transaction'.</p>
